Research, Scholarly Presentations, and Publications

The Committee will need a complete list of your medical school-only work, cited properly. Please make use of [Zotero](#), a free, easy-to-use tool to help you collect, organize, cite, and share research. The Committee will specifically be looking at how many *published* research articles you have during MSPE season, so try to get published prior to August of your 4th year if possible. They will also be considering how many posters, presentations, and projects in which you've participated.
